Success at Reading Novice Competition

Well done to all the girls who swam at the Reading Novice Competition. For many of the younger swimmers it was their first ever competition.

Particular mention should go to Rhianna-lee Pagan for winning Gold in the 9-12 years Group A Figure section, Georgia Antoniou for winning Bronze in the 13-19 year Group A Figure section, and Lucy Thomson for winning Silver in the 8-10 years Group B Figure section.

For the first time AquaVision swam teams in the 9-12 years and the 8-10 years age group. Both teams swam extremely well and our 8-10 yrs team was rewarded with a Bronze medal. In the 9-19 years Open Competition our starry Eyes team also swam extremely well to win another Bronze medal for AquaVision.

The Jack Petchy Award

This year Aquavision has been awarded Bronze Statues in the Jack Petchy Award Scheme. We are pleased to announce that the first winner of this award (voted for by the club members) is Claire Harris. Claire has been given £200 to spend on something which benefits the club. She has chosen to spend it on a tablet computer for video analysis on the poolside.
